April 15, 2010

Dear Parents, Guardians and Students,

I am very pleased to announce that the Woodbury School Board has hired a new Principal who will begin working at Woodbury Elementary School this summer.

Ms. Stephanie Baranyay is a resident of Stowe, Vermont, and is currently the Coordinator of Student Support Services at Peoples Academy in Morrisville. Ms. Baranyay has also worked in elementary schools as a Consulting Teacher and Child Development Specialist.

I would like to thank the school board, members of the community and fellow colleagues who assisted in the hiring process. We are very fortunate to have a new Principal of Ms. Baranyay's caliber knowing that the community of Woodbury expects that all children receive an excellent education.

Finally, please join me in recognizing the huge contribution Ms. Sharon Fortune has made to the Woodbury Elementary School this year. Quite simply stated- she has been awesome!

And to all of our families, thanks for all you do in supporting your child's education.

Respectfully,

Mark S. Andrews, Superintendent
