

WOODBURY ELEMENTARY SCHOOL
WEEKLY NOTICE
October 3, 2008

Dear Families:

It is hard to believe that the month of September is over. Our students have been working hard to learn about procedures and routines while learning about each other in the learning communities throughout the day. We have just recently finished our formative assessments in reading, spelling, and math and will be meeting in our grade level teams to plan programs that help in meeting the needs of all students at Woodbury. The purpose of these assessments is to provide base line data and to demonstrate student growth as well as to inform instruction. Many of these assessments will be shared at parent conferences. Please contact your child's teacher if you have any further questions or would like more information.

REMINDER: Our annual Open House will be occurring on Thursday, October 9th from 6:30 to & 7:30 pm. Our second annual school/community potluck dinner will start that evening at 5:30. Please share the news with someone in the community or invite them to join with your family.

Respectfully, Mrs. Martin

New Picnic Tables

This past Monday our 5/6 grade students helped in the construction of new picnic tables for our school and the community of Woodbury to enjoy. We want to thank the PTO for funding the project and Harry Dailey for organizing and helping us construct the tables!

Open House at the Library

Greetings Woodbury families,

I am looking forward to seeing all of you at the library during the Potluck/Open House on Thursday. We will once again have a Treasure Chest of books in the library and every child can choose their treasure. 3rd through 6th graders also have new skills to show off. Kids have been perfecting their library catalog searching skills on the computer. Have your child find a book about something you are interested in!

Finally, we will have our new audio book service on display also. The library has joined a group of Vermont libraries that purchase the rights to download audio books, which can be listened to on a computer or MP3 player. We will have a computer and MP3 player or two set up to listen to. Every library member has an account and can use this service at home, work, or anywhere with internet access. Contact me for account information.

Mrs. O'Connell

Emery's Pumpkins for Sale

Dear Families of Woodbury,
I grew pumpkins this year and I am selling them and if you want pumpkins you can come to Town Farm Rd. You'll see the signs. My prices are pie pumpkins \$2.00, Jackolantern pumpkins are \$3.00 to \$4.00 and giant pumpkins are \$5.00. For more information, contact 472-8044

Thank you for reading my letter,

Emery Brush, age 9
