

September 18, 2009

Dear Families,

Week three is proceeding very smoothly at Woodbury Elementary School. We enjoyed a wonderful turnout for Grandparent's Luncheon on Thursday. By our tally we had nearly 50 grandparents in attendance! The children so enjoyed spending this important time with their beloved grandparents, and I certainly enjoyed meeting all our grandparents who play such an important role in the lives of their grandchildren.

I have been contacted by Odyssey of the Mind regarding the possibility of Woodbury fielding a team. While belonging to this organization involves a school membership fee, the contact from the organization indicated that some financial assistance would be available. Please contact me if you are a parent who may be interested in serving as a coach for this activity.

We have an opportunity to participate in the state spelling bee in the spring. Again, if there is a parent or a couple of parents who are interested in organizing this competition, please let me know and I can provide you with more information.

Next week brings a few soccer games for our Woodbury students. I want to take this opportunity to thank Rob Beall, our soccer coach and his volunteer helpers for making this opportunity available to Woodbury children. Many hours go into practice and games, and I appreciate the commitment demonstrated by all those involved.

Sharon Fortune

## **Lego League**

Do you like Robots and Lego's? Do you like to creatively solve problems? The Woodbury First Robotics Team is starting its second season on Saturday September 26th, 3 o'clock until 5 at the Woodbury Town Clerks Office and is open to all kids' ages 9 through 13. Lego Robotics is an amazing adventure for all children and has something fun for everyone! Call Dan Brush @ 472-8044 or email him @ [woodburynet@gmail.com](mailto:woodburynet@gmail.com) if you are interested or have any questions. Hope to see you there
