Weekly Notice – Friday,
December 4, 2009

Hello Woodbury Parents:

Our return from Thanksgiving vacation has seen a continuation of this unusually warm weather. Although it doesn't look as though snow is in the immediate forecast, we are hoping that the white stuff will come along so that we can enjoy a few times of **skiing** at Burke Mountain. It looks as though the ski/snowboard/snowshoeing program will occur on Friday January 15 and 29 and February 12. More information will be forthcoming regarding details as we get closer to that time.

Our PTO launched a very successful wreath making project. Many thanks to the parents and community members who organized this fundraiser. Everyone worked hard to make dozens of beautiful wreaths which were sold for the holiday season. We are most appreciative of all the efforts of our PTO in providing enrichment opportunities for Woodbury Children. Without their assistance and financial support, our children could not enjoy programs such as museum trips and winter sports opportunities.

It looks as though the H1N1 immunization clinic scheduled for December 15 will be held at Hazen, since the vaccine is now available.

Results are available for the On Demand Writing Assessment which all grades, 2-12, OSSU students participated in. OSSU teachers spent the In Service Day on November 23 scoring those student writing pieces.

We are excited to have celebrated author Willem Lange visit us at Woodbury on the morning of December 18. Thanks to Heather Gilcris-Kehoe for orchestrating this event for our children.

Sincerely,

Sharon Fortune, Principal

PTO Notes

Final Wreath Pick-up at the school is on Monday, December 7th @ 6 -8pm

Also, our December Meeting is Wednesday, December 9th @ 7pm in the Library Community Room and new members are always welcome.

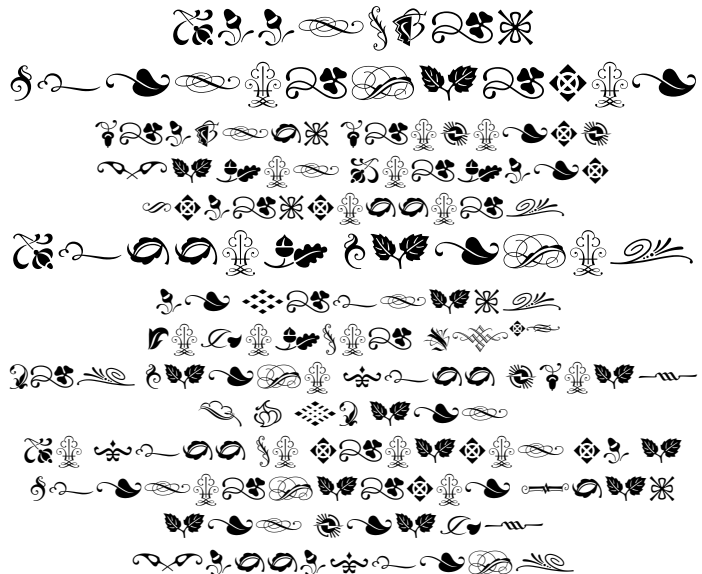

Attention:

6th Grade Parents and Students!
