Hello Parents:

We have a fun day planned for our ski/snowboard/snowshoe trip to Burke tomorrow. The weather looks as though it will cooperate for us.

Today saw several serious incidents involving unsafe recess behavior. I intend to meet with all students on Tuesday during recess time to clarify the rules for safe recess behavior.

Please be aware that when we have a large gathering of folks at school for an event such as a basketball game or a concert or community meeting, it is absolutely not ok to park in front of the driveway of the house across the street from school. Neither is it ok to park in the pull off. The resident who owns the house and made the pull off parking area has made it clear that he will have cars parked there towed at the owner's expense! Please abide by this request to avoid problems!
