Weekly Notice – Thursday,
February 11, 2010

Dear Woodbury Parents:

You will be receiving this newsletter on Thursday of this week, rather than Friday, since Friday, February 12 is an all school ski day. If your child is in grades 3-6 you will find in your child's folder a score report of their fall NECAP standardized testing. On the cover page of the report there is a detailed explanation of what these tests measure, how the scores are helpful to our school and to you as a parent in understanding this standardized measurement of your child's academic progress. Please phone me at school if you have specific questions regarding the NECAP testing results.

On Monday of this week the Central Vermont solid Waste Management folks presented our children with information regarding composting at Woodbury. Additionally, this Wednesday was our first day of "banking" in the "Save for Success" program. At our Monday, February 15 all school meeting we intend to introduce the children to another component of the "Positive Behavioral Supports Program". Ask them about our "Olympic Style Recognition Program." We work hard at Woodbury Elementary to encourage individual and group positive behaviors!

Please remember the spaghetti dinner scheduled for Thursday, February 18 which is a fundraiser for the 6th grade end of year trip. The dinner will be followed by the K-3 drama performance of "Polly Pureheart Prevails". Under the able direction of Tess Martin, our youngest children have worked hard on this theatrical melodrama. We hope to see you there.

Basketball Tournament News

The Annual Hardwick Elementary School Basketball Tournament starts on Thursday, February 18th, but **Woodbury teams do not play until Friday, February 19th.**

Note: there is an admission fee for spectators.

Boys game @ 4:00

Girls game @ 5:00

Bus leave Woodbury @ 3:20 pm

NO RETURN BUS! The tournament will continue through the weekend there will be no other busses.

Remember that our
"Save for Success"
Banking Day is
Wednesdays.

Please send in the forms if you wish to start an account for your child.

News from Physical Education

P.E. Teacher, Debbie Platka, and Maintenance Director, Larry Eldred, will take students snowshoeing for P.E. classes on Wednesday, February 17th, weather permitting. The school has snowshoes but children may bring their own if desired. All students need boots, **SNOW PANTS**, hats and mittens/gloves. If your family is in need of any of these items, please call the office.

PTO Meeting, Feb. 17th @ 7:00 PM

Sincerely,

Sharon Fortune, Principal
