Weekly Notice – Friday, February 19, 2010

Dear Woodbury Parents:

We have had many positive things happening at school this past week. Thanks to the PTO, Woodbury children received a lovely carnation and a note from their teacher acknowledging their positive qualities. This “We love Woodbury kids” celebration occurred at Monday’s morning all school meeting, and was attended by our famous “Woody”. We also celebrated the children and staff’s contribution of \$117.25 to the Haiti relief fund. With my own personal matching donation, we sent a check for 235.50 to these needy earthquake victims.

Our 6th grade spaghetti dinner fundraiser was wonderful, as was the K-3 play “Polly Pureheart Prevails”. Thanks to the parents, students and especially Mrs. Martin, our devoted drama coach, for their fine efforts in making the evening a memorable one for the Woodbury community! Special thanks to the parents who painted the front of our stage last weekend just in time for the play. It looks great!

At this point we are planning to hold our last ski day (which is a rescheduled one) on Friday, March 5. Stay tuned for confirmation of this date upon our return from vacation.

I want to let you know that for professional and personal reasons I will not be serving as your Principal next year. Please know how much I have enjoyed my time here developing relationships with your children, working with staff and getting to know Woodbury’s wonderfully supportive parent community.

Let’s hope for mild weather during this upcoming vacation.

Sincerely,

Sharon Fortune
Principal

**Please read page 2 of
the newsletter
carefully as it
contains information
on a new auto-call
system for school
cancellations and will
be tested on March
4th.**

**Don’t forget the
PTO Pancake Breakfast
This Sunday, 2/21
9-11 am in the Gym!!**

**Have a Great
Winter Break!
Classes resume on
Wednesday,
March 3rd.**

**Town Meeting Day is
Tuesday, March 2nd in the
Gym. Lunch will be
available thanks to PTO.**
